<p>The individuals on this tutor list are all employees of School District 2, either on a part-time or full-time basis and as such have been cleared to work with students in our schools. If you choose to hire them to tutor your child, you do so understanding that the contract you enter into with them does not involve School District 2. School District 2 accepts no liability under that contract.</p>																				
Teachers cannot tutor children they teach for profit.
